

Service Requirements

The only general system requirement to operate the *eDocsOnline.com* service is a computer with an Internet connection and a web browser. We advise that you use the browser recommended for your system and have it upgraded to the latest available version.

For PC:

Operating System: Windows 95/98/ME/NT4/2000/XP

Web Browser: Internet Explorer 5.5 or higher
Netscape Navigator version 7.0 and above.
The AOL browser is not supported.
However, you can still use *eDocsOnline.com* with your AOL Internet Account. First, download a supported browser version, connect to the Internet via your AOL account, and access *eDocsOnline.com* using your browser.

Monitor Resolution: For best results, we recommend 1024 X 768 or greater.

For Macintosh:

Operating System: OSX

Web Browser: Apple Safari

Note for Linux/Unix users:

Users of these and other systems may access *eDocsOnline.com* with their standard browsers. However, we do not test or support these systems and can not make any guarantees as to their performance. We encourage you to contact us via the Support Request Form for more information, and to report any errors you encounter via Bug Report.
